## **About the Center for Emergency Medicine**

The Center for Emergency Medicine of Western Pennsylvania, Inc. is a multi-hospital consortium dedicated to the advancement of emergency medicine through research, education, air medical transport and quality care. Currently, the Center's member hospitals include Children's Hospital of Pittsburgh of UPMC, UPMC Mercy Hospital, and UPMC Presbyterian Shadyside.

### **OFFICE OF EDUCATION:**

The Center's Office of Education provides educational programs to thousands of students each year, including EMTs, paramedics, nurses, physicians, medical students and the lay public. Courses include Cardiopulmonary Resuscitation (CPR), Advanced Cardiac Life Support (ACLS), International Trauma Life Support (ITLS), Emergency Medical Technician, Paramedic, and First Aid. Working with the U. S. Department of Transportation - National Highway Traffic Safety Administration, the Office of Education staff revised the EMT-Basic: National Standard Curriculum in 1994, revised the First Responder in 1995 and the Paramedic and Intermediate Curricula.

### **STAT MedEvac**

STAT MedEvac, a service of the non-profit Center for Emergency Medicine of Western Pennsylvania, Inc., provides medical helicopter transport to patients with critical illness and/or injuries. The organization, which operates seventeen base sites, is directed by our consortium of hospitals.

### **EMED HEALTH**

Emed Health promotes prevention and disease management using emergency medical service (EMS) agencies and their personnel to deliver community, emergency department and home-based prevention and disease management services.
