

Happy Holidays!

We would like to thank all EMS providers for their hard work and dedication, especially during the holiday season. While most students are taking advantage of the winter break, you may notice some are still completing shifts!

The Pitt students officially return from break on January 9, 2023. They will immediately begin Clinical 2. New field assignments will be sent out later this week!

The CEM students officially return from break on January 3, 2023. They will continue with Clinical 1 until the end of January.
